## Introducing ADVANCE!

Cottage Tulip **ADVANCE** is the most exciting new Tulip bloom in the flower world today. **ADVANCE** blooms two weeks earlier than the earliest Darwin Tulip. **ADVANCE** first showed color this year on April 23rd, (on Long Island). The perfectly formed, globular flowers are of bright red, flushed with rosy orange. Stems are sturdy and straight; foliage broad. Altogether in a class by itself. Height 26 inches.

**10 for \$1.00. Delivery mid-September.**

This Holland-grown Tulip is listed in our new **Autumn Catalog** (available July 15th) along with many other outstanding varieties of Tulips, Hyacinths, Daffodils and Perennial Plants for autumn planting.

**Shall we reserve a copy for you?**
